MEMORANDUM FOR: Assistant Director, Intelligence Coordination
Assistant Director, Current Intelligence
Assistant Director, Operations
Assistant Director, Special Operations
Assistant Director, Research and Reports
Assistant Director, Scientific Intelligence
Assistant Director, National Estimates
Assistant Deputy Director (Inspection and Security)

SUBJECT : Citation of OSO and OO Reports by Number in
Publications Distributed beyond the IAC

REFERENCE : Discussion at IAD's Meeting of 1 April

1. On 28 February, AD/IC presented a Staff Study for D/DCI (through DD/I and DD/P) recommending that the subject citations be authorized in finished intelligence, even though such intelligence might be distributed beyond the IAC agencies.

2. After consideration and further consultation it appears that it would be inappropriate to press this recommendation over the security objections of the collecting offices.

3. Consequently OSO reports and OO-B's and OO-G's will not be referenced by number in publications distributed beyond the IAC agencies (except as may be authorized by the Office of origin). All other reports will continue to be cited by number.

4. Full bibliographic information should be maintained by the production offices for reference purposes and should be made available to the IAC agencies as appropriate. Requests from non-IAC agencies will be treated individually and, in the case of OSO reports and OO-B's and OO-G's, will be discussed with the Office of origin.
